Delivery

- Delivery Cost will be assessed based on physical delivery location.
- Buyers must have the means to off load product if can't be done by hand.
- Please contact us for a price if any purchase is not within the listed terms.

All Magic Salt products are stock piled indoors within our warehouse facility. Our Magic Salt is treated at a rate of eight gallons per ton. All loads are sold by the yard. Loads can be sold by the ton per request but will extend delivery times. We accept cash, check, or credit card and all payments are C.O.D. American Express users are subject to a \$1.50 per yard fee.

Thank you for the opportunity to do business with you!
